Fratelli Perata 2014 Zinfandel, Estate

We present to you our 2014 Zinfandel. Picked from our head pruned vines, this vintage the draught encouraged the development of those deep fruity nuances and notes of cinnamon and cloves that we love in the Zins. But the draught also created a huge Zin that can rival any red; don't dare think typical California Zin here. It can use some time to simmer down. Enjoy this Zin now with Chocolate Short Ribs or in 2019 with a good brownie.
