

Fratelli Perata Winery

Fratelli Perata 2013 Sangiovese, Estate and 2013 Sangiovese Wine Club Special Selection, Estate

This is only the second year with such a generous Sangiovese crop. Like last year, we selected the best of the best to craft the Wine Club Special Selection version of our Sangiovese. Three barrels made the cut this vintage and we share them with you. This is one bottle per member as it is limited production, but the regular 2013 Sangiovese will please your Sangio cravings. This is food-friendly, fruit forward, with soft tannins and gentle acid. Enjoy with any tomato based dish or sip on its own.

Harvested: September 8th to 29th, 2013

Brix: 24.5

pH: 3.41

Fermented: 12 days in 1.5 ton fermenter

Pressed: To neutral oak barrels

Alcohol: 13.8%

Bottled: January 26th, 2017

Production: 68 cases of Wine Club Special Selection, 162 cases of regular

Aging: Given the Sangiovese has had a little life in the bottle, this wine is ready to enjoy now or age until 2023. For the Wine Club Special Selection Sangiovese we recommend giving this a little longer, drink 2019 to 2028.
