Fratelli Perata 2013 Tre Sorelle, Estate

Named in honor of the three Perata sisters this is a wine of great depth and structure. This vintage is another knock out. The Tre Sorelle blend receives a powerful punch of fruit and acid from the Cab Riserva, big body of fruit, tannin from the Merlot and smoky fruit from the Cabernet Franc. The three sisters is a representation for the three Perata sisters as well as the wines in the blend being considered “sister” wines. All individual, but are similar in characteristics.
