### **2018 Bambino Grande**

This is our classic Super Tuscan style blend named after Gino's maternal grandfather, Bambino. He loved to have fun and party, so take his view on life and enjoy his namesake wine with good friends and delicious food. This vintage has nice tannin with more fruity notes taking on the strawberry and cherry of a dry-weather Sangiovese. Pair with creamy Shallot and Chive Spread on crusty bread.

#### **BOTTLED**

January 28th, 2022

**BLEND:** 57% Sangiovese, 43% fuhgeddaboudit

**PRODUCTION:** 214 cases

**ALCOHOL:** 13.9%

#### **AGING**

Bambino would not want you agonizing over how wonderfully complex this wine is or how long to hold it. In some ways we think you should just drink this wine. But giving it the opportunity to age a few years would certainly make this wine the life of the party. Drink 2022, if you can't wait or age until 2030.
