### **2019 Cab Franc**

Cabernet Franc profiles as a peppery wine that has aromas of raspberry, cassis and violets. Generally, we think mushrooms as it is an earthy wine. This vintage runs much more fruit forward than typical so we'll tell you to age it some but don't feel bad if you can't. Pair with a quick Truffle sauce pasta.

#### **AGING:**

A rather easy drinking wine approachable now, but best to wait to at least until 2023. With this Cab Franc's base, we expect it to age well to at least 2029. If drinking now, allow to breathe or decant.
