

Fratelli Perata 1994 Sangiovese

Fratelli Perata is a winery where the Italian background of the owner-winemaker shines through. With the 1994 Sangiovese, the European style of the wine is found. Thus, the strawberry flavors common to California Sangiovese is muted so the cedar and floral aspects of the wine can show well for added complexity. It is lighter in body with enough acidity to carry one through a heavy meal.

The grapes were harvested 10-12-94

Brix of 23.0

pH was 3.29

Aged in older oak barrels for 18 months

Blended with 20% Cabernet Sauvignon prior to bottling
